A Message from the Chief of Police

On behalf of the dedicated, professional men and women of the Carmel Police Department, I want to thank you for your interest in our 2016 Annual Report. We are a progressive department and we constantly strive to provide a level of public safety services that our community both expects and deserves.

For those of you who are not familiar with the history of our fine city, I would like to share with you a bit of background. The City of Carmel is located in southern Hamilton County just to the north of Indianapolis. Carmel is a vital, established community with exceptional schools, a thriving business community, and beautiful family-oriented neighborhoods and parks.

Originally founded in 1837 as Bethlehem, the town's name was later changed to Carmel. Beginning with the families of four farmers, Carmel has grown in population to approximately 90,000 and encompasses approximately 48.5 square miles.

The Carmel Police Department is comprised of 113 sworn officers and 25 civilian support personnel. As an internationally accredited law enforcement agency, the department meets the challenge of providing quality law enforcement services to the community.

Again, thank you for your interest. If there is anything that our department can assist you with in the future, please do not hesitate to contact either myself or any member of our staff.

Chief of Police

Tim Green was appointed Chief of Police in January 2011. Chief Green is in his 36th year of service with the Carmel Police Department. He previously served as Commander of the Special Investigations Division and as Assistant Chief of Police. Chief Green earned a Bachelor's Degree in Law Enforcement Management from Calumet College and is also a graduate of the FBI National Academy.

Our Organization

Our Vision Statement

In keeping with the highest traditions of law enforcement, we will serve our community by providing innovative public safety services through professionalism, integrity and teamwork while holding ourselves accountable to each other and those we serve.

Assistant Chief of Police

The Assistant Chief of Police is responsible for coordinating day-to-day operations and directs the command staff to facilitate the goals and objectives of the Police Department.

Law Enforcement Accreditation

In 1979, the Commission on Accreditation of Law Enforcement Agencies (CALEA) was created through the combined efforts of four major law enforcement

organizations: The International Association of Chiefs of Police, The National Organization of Black Law Enforcement Executives, The National Sheriffs

Association and The Police Executive Research Forum. The Goals of CALEA are:

(1) strengthen crime prevention; (2) formalize essential management procedures; (3) establish fair and nondiscriminatory personnel practices; (4) improve service delivery; (5) solidify interagency cooperation and coordination; and (6) boost citizen and staff confidence in the agency.

The Carmel Police Department received its first Accreditation Award from CALEA in 1996 and has been re-accredited every three years since. Accreditation and the benefits received from this management style continue to be a critical component of our success. The benefits of accreditation include national recognition for excellence that symbolizes professionalism, excellence and competence. The community and Police Department can take pride in their department, knowing it represents the very best in law enforcement.

SWAT Team

The mission of the SWAT team is to support the Carmel Police Department and any other requesting law enforcement agency with a tactical response to critical incidents. These incidents may include barricaded persons, hostage situations, suicidal persons, assisting with warrant services and the apprehension of armed or potentially armed suspects.
